Subasta Online Monedas #111

Magnífica colección formada por más de 3000 monedas de diferentes épocas, principalmente de los siglos XIX y XX, aunque también encontramos un buen número de ejemplares del XVIII con una enorme variedad de países representados. La tipología, temática, módulos y fechas de la colección es amplísima, destacando, entre otras, la enorme cantidad de piezas en plata y entre ellas un buen número de módulo tipo onza troy o duro. Por países encontramos acuñaciones de los 5 continentes con mención especial para países de la Commonwealth y antiguas colonias. Gran representación de moneda europea, entre la que encontramos también española. El conjunto presenta un estado de conservación medio/alto en general, siendo fruto de la labor de un único coleccionista y donde apenas encontramos ninguna pieza repetida. IMPRESCINDIBLE EXAMINAR, el lote se vende tal cual.
